## **action learning and fresh expressions**

**are you...**

- an Ordained Pioneer Minister or a Church Army Evangelist?
- enabling a fresh expression of church?
- making it up as you go along?
- finding yourself in new and challenging situations?

Fresh Expressions Ltd, Athena Drive, Tachbrook Park, Warwick, CV34 6RQ. Telephone 0300 3650563. Company #3598030. Registered Charity #1080103.

### **What's an Action Learning Network?**

A space to meet with 4-5 others at least 3 times a year and to bring something from your ministry situation that you'd like some help with. Ask questions and reflect on your practice, hear about what's happening to others and stimulate your thinking with outside input.

### **How would we get going?**

There's an introductory residential on 21st-22nd October 2009 in Sheffield to start things off. We'll form geographical action learning networks with trained facilitators which will then meet during the year in the South West, South East, Midlands, North East, North West and in Northern Ireland.

### **How long would I be committed to this?**

In the first instance, for 12 months (Oct 2009 to Sept 2010)

### **How much would it cost?**

£80 plus overnight accommodation for the residential in October. We hope that participants might be able to offer hospitality to each other when groups meet. Other than that, it's your travel costs.

Church Army Evangelists are able to request a grant from the Lifelong Learning Team for most of this. Ordained Pioneer Ministers may be able to negotiate with their Diocesan IME 4-7/CME budget-holder.
